Experience

Special Education Teacher IDEA Pflugerville College Prep

**2024 – Present
Pflugerville, TX**

Provide individualized education and post-secondary services to juniors and seniors.

Key Accomplishments:

- Developed and trained new staff on sustainable systems to streamline service schedules, IEP management, and ARD coordination and demonstrate compliance
- Utilize tracking system to monitor student data, service minutes, accommodations, and propose changes based on data
- Successfully facilitated 20+ ARD meetings in the span of 2 months in the midst of unexpected staffing shortage

Math Teacher/Interventionist Gateway College Preparatory School

**2021 – 2023
Georgetown, TX**

Pioneered math intervention curriculum for all of middle and high school math.

Key Accomplishments:

- Gathered and analyzed student performance data and progress to communicate with stakeholders
- Maintained strong relationships with students, parents, administrators, and colleagues and utilized their feedback to inform daily instruction
- Progressed more than 140 students with high academic needs through 30+ hours of remedial math instruction

Math/Science Teacher Memphis Rise Academy

**2016 – 2021
Memphis, TN**

Created, revised, and executed flexible and adaptable science and math curricula to accommodate students with different learning styles and abilities.

Key Accomplishments:

- Utilized more than five educational software platforms to enhance instructional delivery and student engagement in a remote learning environment

- Provided students with high academic needs with more than 150 hours of remedial math intervention
